## CCA and Martin's Food Market Tuition Discount Programs

Calvary Christian Academy along with Martin's Food Market have a great program going for the parents of CCA!

Here's how the program works:

1. Before you go do your grocery shopping, stop by the school office and purchase gift cards in the amount you are going to spend. Gift cards are available in the amounts of \$10, \$25, and \$50. Your tuition account will be credited by 4% of the amount of the gift cards purchased and the credit will show on your monthly statement. The credit for gift cards purchased after the 25<sup>th</sup> of the month may not appear until the following month's statement.
2. Certificates are sold through the school office, 8:15 a.m. – 3:30 p.m. only. The office is closed for holidays, teacher workdays, weather cancellations, or during Christmas and Spring breaks.
3. Gift card discounts cannot be applied to re-registration fees.
4. Students must be accepted and enrolled at CCA before the discount program can be used.

The more you buy, the more you will save on your monthly bill. If friends and relatives are already shopping at Martins they can help pay your tuition bill without it costing them any more than they would normally spend. They can have you purchase their gifts for them, or they can stop by the office and purchase them. They will need to indicate which family account should receive the credit.

If you have any questions, please contact the school office at (301) 729-0791.
